

Faith in My Everyday Life

L.I.F.E- Living In Faith Everyday.

Growing up around the Word of God I heard the word Faith a lot but never quite got it, but as I grew older I knew that faith is what I have believing that Christ died on the cross for my sins, and that it's what I have when I trust in God's plans. Faith in my life is what keeps me going, holding on to all possibilities, not saying I think I can I think I can but, I CAN with God's help. As a senior in high school, it is a fact that faith works in my life all the time, it helps me know that even though I may be nervous about graduation or stressed about acceptance letters and college admissions, but that at the end of it all as long as I have faith and trust in Him it would all work out. Faith is knowing that God will take charge of the situation. Without faith I tended to think worldly on situations, with faith I think spiritually, not leaning on my own understanding but Gods. Proverbs 3:5-6 says Trust in the Lord with all your heart and lean not on your own understanding; in all your ways acknowledge Him and He shall direct your paths. Proverbs 3:5-6 reminds me that I am not superwoman and cannot do things on my own, but reminds me that I just need to have faith and trust in the Lord. In my daily life I remember that faith is not being able to see the future but knowing that God has something working marvelously in my life. With faith I know that at the end of it all it will work out to his glory

Without faith, nothing is possible. With it, nothing is impossible.

Mary McLeod Bethune

I tell you the truth, if you have faith as small as a mustard seed, you can say to this mountain, "Move from here to there" and it will move.

Matthew 17:20
